Biography

Vibhore Bakshi is an Assistant Professor at SPA Bhopal and a Doctoral Scholar at IIT Roorkee, specializing in the intersection of the knowledge economy and regional development. With a Master's from CEPT University (Distinction) and a Bachelor's from SPA Bhopal, his work drives innovation in spatial planning and sustainable urban growth. A recognized academic leader, he recently served as the Editor for a 2026 Springer Nature volume and holds prestigious reviewer roles for Sustainable Cities and Society (Q1) ; Frontiers of Urban and Rural Planning and other prestigious journals of Springer and Elsevier. As an Associate Member of the ITPI and a Track Chair for IPPA5, Vibhore is dedicated to advancing inclusive, innovation-led development through global research networks and high-impact publications with Springer, Elsevier and Routledge.
