“General Terms & Condition for Tenderer”

1. Tenderer should be read carefully & understand the scope of work which is to be done.
2. Tenderers should clearly indicate on each copy of the tender under their full signature, whether it is the original or photocopy. Unsealed tenders will be rejected summarily.
3. No tender will be received after 16:00 hours on 22 July 2024 & tenders will be opened at 16:00 hours on 23 July 2024 in the office of Dean (P & D) at School of Planning and Architecture Bhopal at present campus Neelbad road Bhauri Bhopal. The Tender will be opened in the presence of Dean (P&D) or any other person designated for this purpose by him in the presence of the bidders or their representatives should they choose to be present.

The tender should be submitted in two parts i.e. Technical Bid and Financial Bid. The Technical Bid and the Financial Bid should be sealed by the bidder in two separate envelopes “**Technical Bid**” Regarding Provision of Aluminium Partition work with openable door for creating new Guest House at School of Planning & Architecture Bhopal (M.P.)” and “**Financial Bid**” Regarding Provision of Aluminium Partition work with openable door for creating new Guest House at School of Planning & Architecture Bhopal (M.P.)”. Both sealed envelopes should be kept in a main/bigger envelope super-scribed as “Tender Regarding Provision of Aluminium Partition work with openable door for creating new Guest House at School of Planning & Architecture Bhopal (M.P.) ”.

4 (a) The tender form must be filled in English and all entries must be made by hand and written in ink. If any of the documents is missing or unsigned, the tender may be considered invalid by the Employer at its discretion.

(b) Rates should be quoted both in figures and words in the columns specified and the amounts in figures only; in such a way that interpolation is not possible. The total amount should be written both in figures and in words. In case of figures, the words 'Rs.' should be written before the figure of rupees and the words 'P' after the decimal figures e.g. Rs. 3.16 P' and in case of words, the word Rupees should precede and the words 'Paise' should be written at the end. Unless the rates is in whole rupees and followed by the words 'only' it should invariably be up to two decimal places. While quoting the rate in the schedule of quantities, the words 'only' should be written closely following the amount and it should not be written on the next line. If on check there are differences between the rates quoted by the bidder in words and in figures or in the amount worked out with him, the following procedure shall be adopted:

- i. When there is a difference between the rates in figure and in words, the rates which correspond to the amount worked out by the bidder shall be taken as correct.
- ii. When the amount of the item is not worked out by the bidder or it does not correspond with the rate written either in figure or in words, then the rate quoted by the bidder in words shall be taken as correct.
- iii. When the rate quoted by the bidder in figures and in word tallies, but the amount is not worked out correctly, the rate quoted by the bidder shall be taken as correct and not the amount. All erasures and alterations made while filling the tender must be attested by the initials of the bidder. Overwhelming of figures is not permitted and failure to comply with either of these conditions will render the tender void at the Employer’s option. No advice of any change in rate or conditions after the opening of the tender will be entertained.

(c) Each of the tendered documents should be signed by the person or persons submitting the tender in token of his/their having acquainted himself/themselves with the General Instructions to Contractors and Special Conditions. Conditions of Contract, the Additional Conditions and Additional Specifications, etc., as laid down. Any tender with any of the documents not signed will be liable for rejection.

(d) The tender submitted on behalf of a firm shall be signed by all the partners of the firm or by a partner who has the necessary authority on behalf of the firm to enter into the proposed contract, otherwise the tender may be rejected by the Employer.

(e) The tender for the work shall not be witnessed by a bidder/s who himself/themselves has/have tendered or who may and has/have tendered for the same work. Failure to observe this condition would render the tenders of the bidder tendering as well as witnessing the tender liable for summary rejection.

5. Tender fees: The tenderer shall have to deposit an amount of Rs.500/- (Non –refundable) as tender fees by D.D.in favour of SPA Bhopal Grant / through online payment (Canara Bank, Bhauri Branch, Account No.2073201002565, IFS Code: CNRB0004725, Account Name – SPA Bhopal Internal Receipts.

6. **Earnest Money:** An earnest money of Rs 2,650 /- (Refundable but non- interest bearing) has to be enclosed along with the Technical Bid (Part-A).

The EMD shall be only in the form of D.D. in favour of SPA Bhopal Grant / through online payment (Canara Bank, Bhauri Branch, Account No.2073201002565, IFS Code: CNRB0004725, Account Name – SPA Bhopal Internal Receipts. No Cheques / Cash shall be accepted as EMD. The refund of EMD to the technically disqualified & lowest 4th bidders onwards shall be made within 15 days from the date of opening of financial bid. The refund of EMD of the 2nd & 3rd lowest bidders shall be made after award of work and site mobilization by the successful bidder. On award of work to the successful lowest bidder (L1), the earnest money shall be refunded to bidder after submission of Performance Guarantee. Tenders received without earnest money will not be entertained.

7. Security Deposit: A security deposit equal to 5 % of the value of the tender amount will be deducted from Contractor's bills and shall be refunded after the completion of defect liability period of six month after ensuring successful performance of the system executed by the contractor.

8. The Employer does not bind itself to accept, the lowest of any tender and reserve to itself the right to accept or reject any or all the tenders, either in whole or in part, without assigning any reasons for doing so. Tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect are liable to be rejected.

9. (A) On receipt of intimation from the Employer of the acceptance of his/their tender, the successful bidder shall be bound to implement the contract and within fourteen days thereof the successful bidder shall sign an agreement in accordance with the draft agreement and the Schedule of Conditions. The written acceptance by the Employer of a tender will constitute a binding contract between the Employer and the person so tendering, whether such formal agreement is or is not subsequently executed.

(b) On acceptance of the tender, the name of the accredited representative(s) of the Contractor who would be responsible for taking instructions from **Dean (P & D)** shall be communicated to Employer.

10. (a) The Contractor shall not sublet/assign any portion of the contract, except with the written consent of the Employer.

11. Specifications: The entire work shall be done as per the latest CPWD Specification with up-to-date correction slips. However, in the event of any discrepancy in the description of any item as given in Schedule of Quantities appended with the tender and the specifications relating to the relevant item as per latest CPWD specification, the former shall prevail. If the specifications for any item are not available in the latest CPWD specification, relevant IS specifications shall be followed. In case IS Specifications are also not available, the decision of the Engineer –In – Charge given in writing based on sound Engineering practice and local usage shall be final and binding on the Contractor. The work shall be executed and measured as per metric dimensions given in the Schedule of Quantities, etc.

12. The Contractors responsibility for the contract shall commence from the date of issue of orders of acceptance of tender. The Contractor shall carry out all the work strictly in accordance with instructions by Engineer-In- charge.

13. A Schedule of Quantities in respect of each work accompanies these Special Conditions. The Schedule of Quantities is liable to alteration by omissions, deduction or additions at the discretion of the Employer/ Engineer-In- Charge. Each tender should contain not only the rates but also the value of each item of work entered in a separate column and all the items should be totaled in order to show the aggregate value of the entire tender.

14. The bidder must obtain for himself on his own responsibility and at his own expenses all the information which may be necessary for the purpose of making a tender and for entering into a contract and must inspect the site of the work and acquaint himself with all local conditions, means of access to the work, nature of the work, working condition including stacking of materials, installation of T & P, conditions affecting accommodation and movement of labour etc. required for satisfactory execution of work. No claim whatsoever on such an account shall be entertained by the Employer in any circumstances.

15. The Contractor should note that unless otherwise stated the tender is strictly on item rate basis and his attention is drawn to the fact that rates for each and every item should be correct, workable and self-supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work, but may vary to any extent and may even be omitted thus altering the aggregate value of the contract. No claim shall be entertained on this account.

15. Time allowed for carrying out the work as mentioned in the Memorandum. Days shall be strictly observed by the Contractor and it shall be reckoned from the 10th day after written order to commence the work, is issued. The work shall throughout the stipulated period of the contract be proceeded with all due diligence and if the Contractor fails to complete the work within the specified period, he shall be liable to pay compensation as defined in Clause 4 of the Conditions of Contract. The bidder shall, before commencing work prepare a detailed work program which shall be approved by Engineer-In-Charge of SPA Bhopal And Employer.
